

Global Positions

*Global agility in technology solutions.*SM

Satellite

- > 2120 Mechanical Engineer
- > Aerospace Engineer
- > Aerospace Contamination Engineer
- > Analog Hardware Design Engineer
- > Application Engineer
- > Aviation Systems Engineer
- > Comms Network Engineer
- > Communication Systems Engineer
- > Computer Security Technologist
- > Concept Spacecraft Designer
- > Configuration Analyst
- > Co-op Software Test Engineer
- > COTS I&T Spacecraft Mgr.
- > CXD Sr. User Interface Designer-Interaction Team
- > Data Management Engineer
- > Data Operation Technician
- > Deployment Engineer
- > Design Engineer
- > Development Engineer
- > Diagnostic Software Engineer
- > Documentation Architect
- > DSP Engineer
- > EA Cell Communications Specialists
- > Electronics Engineer
- > Embedded Software Engineer
- > Engineer Technician
- > Engineer-Antenna/3D Model Design/Satellite
- > Equipment Specialist
- > Firmware Engineer
- > Flight Software Engineer
- > GPS11F Spacecraft Integration
- > Hardware Engineer
- > Home/Networks Mobility Software Engineer
- > Info Systems Technologist
- > IV&T Systems Engineer
- > LAN/WAN Technologist
- > Manager Software Development
- > Manufacturing Engineer
- > Marine Electronics Engineer
- > Mechanical Engineer
- > Mechanisms Engineer
- > RF Engineer
- > Meteorologist
- > Metrics Analyst
- > Microsoft Systems Engineer
- > Mission Controller
- > Modeling & Simulation Engineer
- > MUOS Engineer
- > Network Data Comm Analyst
- > Power Engineer
- > Principal Firmware Engineer/Off-Shore Liaison
- > Process Controls Engineer
- > Program Engineer
- > Propulsion Engineer
- > Q&A Inspector
- > Radiation Effects Engineer
- > Reliability Engineer
- > Real-time Satellite Systems Engineer
- > Research Scientist
- > RF Engineer
- > Rocket Valve Engineering Specialist
- > Safety Engineer
- > Sales Engineer
- > SATCOM Comm Network Engineer
- > Satellite Ground Station Operations
- > Satellite Specialist
- > Satellite Systems Engineer
- > Satellite Testing Engineer
- > Seahorse System Engineer
- > Software Developer
- > Software Engineer
- > Software Engineer - Test and Validation
- > Software Engineer - VOIP
- > Software Engineer-Android Services and Applications
- > Software Engineer-Google Android Applications
- > Software Quality Engineer
- > Space Operation Specialist
- > Space Vehicle TCS Engineer
- > Spacecraft Development Engineer
- > Spacecraft Power Bus Electronics Engineer
- > Spacecraft Test Conductor
- > Staff Mechanical Engineer
- > Structures Engineer
- > Systems Integration Engineer
- > Teleport Test Engineer
- > Test Software Engineer
- > Thermal Control Systems Engineer
- > Thermal Engineer
- > VDHL/FPGA Engineer
